

Fort Pulaski National Monument

## Working with Georgia

### By the Numbers

Almost every American city and town claims a little bit of the National Park Service. Communities invite us to help them. Together we build trails and playgrounds, return historic buildings to productive use, revitalize neighborhoods, expand affordable housing, protect watersheds, recognize and promote local history, and introduce the next generation to stewardship opportunities. When we combine our expertise and resources we can accomplish great things.

11 national parks

6,776,556 visitors to national parks (in 2010)

\$199,024,000 economic benefit from national park tourism (in 2009)

2,040 National Register of Historic Places listings

\$563,168,778 of historic rehabilitation projects stimulated by tax incentives (since 1995)

165,045 hours donated by volunteers (in 2010)

3 National Heritage Areas

10 National Natural Landmarks

48 National Historic Landmarks

\$81,455,120 in Land & Water Conservation Fund grants (since 1965)

3,617 federal acres transferred for local parks and recreation (since 1948)

\$32,149,564 in historic preservation grants

41 community conservation and recreation projects (since 1987)

920 historic places documented by the National Park Service

3,736,476 objects in national park museum collections

20 threatened and endangered species in national parks

297 archeological sites in national parks

80 Certified Local Governments

4 Teaching with Historic Places lesson plans

5 Discover Our Shared Heritage travel itineraries

These numbers are just a sample of the National Park Service's work. Figures updated 12/2010.
